

Our Success Story

Our company was founded by Mr. Fawzy Khatab in 1973. Our core belief has always been based on meeting our customers and investors needs. To achieve successful investment decision process, we focus on quality, safety and selecting the most talented employees with high efficiency in all specialized fields to meet our company high standards of business and to sever our clients

Some of our accomplishments which includes several areas throughout Egypt. Just to mention a few, 8 Towers of Helwan, 17 residential towers in Maadi, Tower of mearaj, diplomatic compound, South Academy, and not to mention new Cairo with at least 63 villas.

As a company with a great reputation, we got the opportunity to work with many government agencies throughout the country. Heliopolis, Merry land Building, police housing and Tora jail.

Our business

We are dedicated to meeting the needs to our owners , investors by delivering the best state-of-the-art buildings possible. By utilizing leading-edge creativity and design we will continue to strengthen our position of leadership in the building industry
